This will allow MDES to differentiate service charges and to properly apply object codes. The successful Bidder needs to have the capability to identify the service provided, determine which bureau it belongs to, and to append the correlating charge coding for funding for each service provided that month.

Upon payment of the invoice, the service center handling the accounts payable process should be able to assign the correct funding account code to the monthly printing and postal cost for the specific document type. Section 5 - Basis for Award

5.1 All bids will be reviewed first to determine whether a vendor is responsive, responsible, and/or acceptable. Requirements to be considered responsive, responsible, and/or acceptable are not assigned a point percentage and/or score, but are instead recorded as PASS or FAIL. Bids with errors that do not alter the substance of the bid can be accepted, and the Agency Chief Procurement Officer may allow the bidder to correct the problem prior to review as long as the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other bidders.

5.2 The agency has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for the agency to properly evaluate the bid, the agency has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

5.3 All bids which are determined to be responsive, responsible, and/or acceptable will continue on to the price bid or cost evaluation. The lowest cost bid will receive the maximum 100 points allocated to cost. The point allocations for cost on the other bids will be evaluated according to the following formula: Price of the lowest responsive and responsible bid divided by the price of the responsive and responsible bid being rated times the maximum 100 points allocated for cost equal the awarded points.

5.4 The agency intends to award one contract to provide the services described in this IFB to the lowest responsible and responsive bidder.

Section 6 – Minimum Bidder Qualifications to be Considered Responsive, Responsible, and/or Acceptable

The vendor must have:
6.1 Prior Experience: Contractor must have been in business and provided services similar in requirements and scale to those described in this IFB for a minimum of ten (10) years. Bid must include samples, descriptions, and/or examples of prior experience. Contractor must include a detailed plan of how the vendor will perform the duties required from the contract.

6.2 Financial Stability or Solvency: Contractor must be financially stable or solvent. Upon contracting with MDES, the selected vendor may be required to submit copies of the most recent years independently audited financial statements as well as financial statements for at least the preceding three (3) years. If required to submit, the submission must include the audit opinion, the balance sheet, and statements of income, retained earnings, cash flows, and the notes to the financial statements. If independently audited financial statements do not exist, the vendor must state the reason and, instead submit sufficient information to enable the MDES to assess the financial stability or solvency of the vendor, such as financial statements, credit ratings, a line of credit, or other financial arrangements sufficient to enable the vendor to be capable of meeting the requirements of this IFB.

6.3 References: A minimum score of four (4) on the Reference Score Sheet (Attachment D) from reference interviews by agency staff with two (2) bidder references (for a total minimum scoring requirement of eight (8) points), as well as all other requirements of this IFB. See Section 8.1.3 for more details.

6.4 Ability to Perform: The bidder may be required before the award of any contract to show to the complete satisfaction of the agency that it has the necessary facilities, ability, and financial resources to provide the service specified therein in a satisfactory manner. The bidder may also be required to give a past history and references in order to satisfy the Agency in regard to the bidder’s qualifications. The Agency may make reasonable investigations deemed necessary and proper to determine the ability of the bidder to perform the work, and the bidder shall furnish to the Agency all information for this purpose that may be requested. The Agency reserves the right to reject any bid if the evidence submitted by, or investigation of, the bidder fails to satisfy the Agency that the bidder is properly qualified to carry out the obligations of the contract and to complete the work described therein. Evaluation of the bidder’s qualifications shall include:

1. the ability, capacity, skill, and financial resources to perform the work or provide the service required;
2. the ability of the bidder to perform the work or provide the service promptly or within the time specified, without delay or interference;
3. the character, integrity, reputation, judgment, experience, and efficiency of the bidder; and,
4. the quality of performance of previous contracts or services.

Section 7 – Duration

The estimated period of performance of any contract resulting from this IFB is scheduled to begin on September 27, 2022, and end on September 26, 2023. The Agency reserves the right to renew the contract for up to one (1) additional year at the sole discretion of the Agency.
Section 8 – Bid Submission Requirements

8.1 Submission Format

8.1.1 Bid Cover Sheet (Attachment A)

8.1.2 Bid Form (Attachment B) - all pricing must be submitted on the bid form. Failure to complete and/or sign the bid form may result in bidder being determined nonresponsive.

8.1.3 References (Attachment C) - each bidder must furnish a listing of at least three (3) references along with the contact person, address, and phone number for each. These references must be familiar with the bidder’s abilities in the areas involved with this solicitation. Agency staff will use these references to determine the bidder’s ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. Agency staff will not track down references. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. Agency staff must be able to reach two (2) references for a bidder within three (3) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of four (4) points on each Reference Score Sheet which will be used by the Agency staff when interviewing the two (2) references (for a total minimum scoring requirement of eight (8) points) to be considered responsive and/or responsible. (See Section 6 and Attachments C and D.) Only bidders who are found responsive and/or responsible will have their bids considered. Bidder may submit as many references as desired but no less than three (3). Agency staff will begin contacting references at the top of the list and will continue down the list until they have completed Reference Score Sheets for two (2) references. After two (2) score sheets are completed, the reference check process will end.

8.2 Submission Requirements

8.2.1 The signed original bid package plus four (4) copies of the signed original bid package must be submitted in a sealed envelope or package no later than the time and date specified for receipt of bids.

8.2.2 The sealed envelope or package shall be marked with the bid opening date and time as instructed in 8.2.3. Bids are subject to rejection unless submitted with the information included on the outside the sealed bid envelope or package.

8.2.3 Sealed bids should be mailed or hand-delivered to and labeled as follows:

MDES Printing and Mailing Services
IFB RFx Number 3160005146
Bid Submission Date and Time: June 30, 2022 at 2:00 PM CDT
Opening Date and Time: July 7, 2022 at 10:00 AM CDT
8.2.4 All bid packages must be received by the Agency no later than June 30, 2022, at 2:00 PM CDT. Bids submitted via facsimile (fax) machine will not be accepted. It is suggested that if a bid is mailed to the Agency, it should be posted in certified mail with a return receipt requested. The Agency will not be responsible for mail delays or lost mail. All risk of late arrival due to unanticipated delay – whether delivered by hand, U.S. Postal Service, courier or other delivery service or method – is entirely on the vendor. All vendors are urged to take the possibility of delay into account when submitting a bid.

8.2.5 Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and maintained unopened in the procurement file. A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered unless it has been determined by the Agency that the late receipt was due solely to mishandling by the Agency after receipt at the specified address.

8.2.6 The time and date of receipt will be indicated on the sealed bid envelope or package by Agency staff. The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.

8.2.7 Each page of the bid form and all attachments shall be identified with the name of the bidder.

8.2.8 Failure to submit a bid on the bid form provided will be considered cause for rejection of the bid. Modifications or additions to any portion of the bid document may be cause for rejection of the bid. The Agency reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.

8.2.9 A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. The Agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the Agency of non-responsiveness based on the submission of nonconforming terms and conditions.

8.2.10 As a precondition to bid acceptance, the Agency may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.
8.2.11 Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Miss. Code Ann. §§ 25-61-1 et seq. and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.

Section 9 – Bidder Certification

The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award made to it as a result of the submission.

Section 10 – Debarment

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or Agency of the State of Mississippi.

Section 11 – Registration with Mississippi Secretary of State

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the Agency that it has been selected for contract award.

Section 12 – Insurance, Bonds, or Other Sureties

12.1 The successful contractor shall maintain at least the minimum level of workers’ compensation insurance, comprehensive general liability or professional liability insurance, with minimum limits of $1,000,000.00 per occurrence and fidelity bond insurance with minimum limits of $100,000.00. All workers’ compensation, comprehensive general liability, professional liability, and fidelity bond insurance will provide coverage to MDES as an additional insured. The Agency reserves the right to request from carriers, certificates of insurance regarding the required coverage. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.

12.2 Contractor shall submit to Agency within seven (7) days of notification of intent to award, a certificate of insurance and/or bond which outlines the coverage and limits defined in the procurement and contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within seven (7) day period may be cause for your bid to be declared non-responsive or for your contract to be cancelled.
12.3 The contractor shall be prepared to provide evidence of required insurance upon request by MDES at any point during the contract period and should consult with legal counsel regarding its obligations.

12.4 Contractor shall obtain at Contractor’s expense the insurance requirements specified in the procurement and contract prior to performing under this Contract, and Contractor shall maintain the required insurance and throughout the duration of this Contract. There are no provisions for exceptions to this requirement.

12.5 Contractor shall not commence work under this contract until it obtains all insurance and/or bond required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. After work commences, the Contractor will keep in force all required insurance and/or bond until the contract is terminated or expires.

12.6 Contractor shall submit renewal certificates as appropriate during the term of the contract.

12.7 The contractor shall be prepared to provide evidence of required insurance upon request by MDES at any point during the contract period and should consult with legal counsel regarding its obligations.

12.10 There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance and/or bond coverage(s) to Agency. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Contract and shall be grounds for immediate termination of this Contract by Agency.

Section 13 – Bid Opening*

Bid opening will be open to the public; however, this will include opening, reading, and listing the name of each bidder and the bid price of each bid only. No discussions will be permitted with any bidder as to the quality or provisions of the specifications and no award will be made either stated or implied at the bid opening.
*Due to ongoing Covid-19 concerns, anyone attending the bid opening is asked to maintain a safe distance from Agency employees and other vendors. The bid opening will not be streamed online.

Section 14 – Award Notification

Award(s) for this procurement will be posted on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency website at http://www.mdes.ms.gov. Bidders will be notified via e-mail of the awards.

Section 15 – Procurement Methodology

15.1 Restrictions on Communications with Agency and Agency Staff

At no time shall any bidder or its personnel contact, or attempt to contact, any Agency staff regarding this IFB except the contact person as set forth and in the manner prescribed in Section 3.

15.2 Bidder Investigations

Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the Agency upon which the bidder will rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.

15.3 Expenses Incurred in Preparing Bid

The Agency accepts no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

15.4 Independent Price Determination

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid. The prices quoted shall be inclusive of, but not limited to the following all required labor; all required equipment/material; all required insurance, bond, or other surety; all required overhead; all required profit; all required vehicles; all required fuel and mileage; all required labor and supervision; all required training; all required business and professional licenses, certifications, fees, or permits; and, any and all other costs. All pricing should include all associated costs with no additional or hidden fees.
15.5 Rejection of Bids

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a bid form that is not complete and/or signed is subject to rejection as non-responsive. The Agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the Agency staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder’s price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder’s price will be deemed non-responsive.

15.6 Withdrawal of Bids

If the price bid is substantially lower than those of other bidders, a mistake may have been made. A bidder may withdraw its bid from consideration if certain conditions are met:

(1) The bid is submitted in good faith;
(2) The price bid is substantially lower than those of other bidders because of a mistake;
(3) The mistake is a clerical error, not an error of judgment; and,
(4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to the Agency of claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to the Agency all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the Agency. No explanation is required.

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the contract is awarded, or otherwise benefit from the contract.

No partial withdrawals of a bid are permitted after the time and date set for the bid opening; only complete withdrawals are permitted.

15.7 Post-Award Vendor Debriefing

A bidder, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Agency within three (3) business days of notification of the contract award. A post-award vendor debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Agency in writing and
identify its attorney by name, address, and telephone number. The Agency will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Vendor Debriefing, as well as the information that may be provided and excluded, please see Section 7-113 through 7-113.07, Post-Award Vendor Debriefing, of the PPRB OPSCR Rules and Regulations as updated and replaced by PPRB.

15.8 Protests

Any actual or prospective bidder who is aggrieved in connection with this solicitation or the outcome of this IFB may file a protest. The protest shall be submitted within seven (7) calendar days of notification of the contract award or on or before July 21, 2022 at 4:00 PM CDT in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the Director of Procurement via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after July 21, 2022, at 4:00 PM CST will not be considered.

Section 16 – Required Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant to this IFB shall have the required clauses found in Attachment E and those required by the PPRB OPSCR Rules and Regulations as updated and replaced by PPRB. The Agency discourages exceptions from these required clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State’s terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 17 – Optional Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant this IFB may have, at the discretion of the Contracting Agency, the optional clauses found in Attachment F and those within the PPRB OPSCR Rules and Regulations as updated and replaced by PPRB. The Agency discourages exceptions from these optional clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State’s terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Attachment E

REQUIRED CLAUSES FOR SERVICE CONTRACTS RESULTING FROM THIS IFB

1. **Applicable Law:** The contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State. Contractor shall comply with applicable federal, state, and local laws and regulations.

2. **Approval:** It is understood that if this contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.

3. **Availability of Funds:** It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost, or expenses to the Agency of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

4. **Compliance with Laws:** Contractor understands that the State of Mississippi is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and Contractor agrees during the term of the agreement that Contractor will strictly adhere to this policy in its employment practices and provision of services. Contractor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

5. **E-Payment:** Contractor agrees to accept all payments in United States currency via the State of Mississippi’s electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on “Timely Payments for Purchases by Public Bodies,” which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.

6. **E-Verification:** If applicable, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code
The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, “status verification system” means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following:

a. termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;

b. the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,

c. both.

In the event of such cancellation/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

7. **Insurance, Bond, and Other Surety:** The successful contractor shall maintain at least the minimum level of workers’ compensation insurance, comprehensive general liability or professional liability insurance, with minimum limits of $1,000,000.00 per occurrence and fidelity bond insurance with minimum limits of $100,000.00. All workers’ compensation, comprehensive general liability, professional liability, and fidelity bond insurance will provide coverage to MDES as an additional insured. The agency reserves the right to request from carriers, certificates of insurance regarding the required coverage. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance. The contractor shall be prepared to provide evidence of required insurance upon request by MDES at any point during the contract period and should consult with legal counsel regarding its obligations.

Additionally:
- In no event shall the requirement for an insurance, bond, or other surety be waived.
- All insurances policies will list MDES as an additional insured.

f. **Additional Rights and Remedies.** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

14. **Termination Upon Bankruptcy:** This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

2. **Antitrust:** By entering into a contract, Contractor conveys, sells, assigns, and transfers to the Agency all rights, titles, and interest it may now have, or hereafter acquire, under the antitrust laws of the United States and the State that relate to the particular goods or services purchased or acquired by the Agency under said contract.

3. **Attorney’s Fees and Expenses:** Subject to other terms and conditions of this agreement, in the event Contractor defaults in any obligations under this agreement, Contractor shall pay to the State all costs and expenses (including, without limitation, investigative fees, court costs, and attorney’s fees) incurred by the State in enforcing this agreement or otherwise reasonably related thereto. 5. **Change in Scope of Work:** The Agency may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by Contractor that the scope of the project or of Contractor’s services has been changed, requiring changes to the amount of compensation to Contractor or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract signed by the Agency and Contractor.
If Contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to Contractor, Contractor must immediately notify the Agency in writing of this belief. If the Agency believes that the particular work is within the scope of the contract as written, Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the contract.

6. Claims Based on a Procurement Officer’s Actions or Omissions:
   a. Notice of Claim.       i. Contractor shall have given written notice to the Chief Procurement Officer or designee of such officer:
         (1) prior to the commencement of the work involved, if at that time Contractor knows of the occurrence of such action or omission;

         (3) within such further time as may be allowed by the Chief Procurement Officer in writing.
      This notice shall state that Contractor regards the act or omission as a reason which may entitle Contractor to additional compensation, damages, or an extension of time. The Chief Procurement Officer or designee of such officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Chief Procurement Officer or designee of such officer;
      ii. The notice required by subparagraph (a) of this paragraph describes, as clearly as practicable at the time, the reasons why Contractor believes that additional compensation, damages, or an extension of time may be remedies to which Contractor is entitled; and,
      iii. Contractor maintains and, upon request, makes available to the Chief Procurement Officer within a reasonable time, detailed records to the extent practicable, of the claimed additional costs or basis for an extension of time in connection with such changes.

   b. Limitation of Clause. Nothing contained herein shall excuse Contractor from compliance with any rules of law precluding state officers and Contractors from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the contract.

   c. Adjustment of Price. Any adjustment in the contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.
7. **Information Designated by Contractor as Confidential:** Any disclosure of those materials, documents, data, and other information which Contractor has designated in writing as proprietary and confidential shall be subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1. 17. **Final Payment:** Upon satisfactory completion of the work performed under this contract, as a condition before final payment under this contract, or as a termination settlement under this contract, Contractor shall execute and deliver to the Agency a release of all claims against the State arising under, or by virtue of, the contract, except claims which are specifically exempted by Contractor to be set forth therein. Should Contractor fail to obtain for the customer the right to use such items, Contractor shall suitably modify them to make them non-infringing or substitute equivalent software or other items at Contractor’s expense. In the event the above remedial measures cannot possibly be accomplished, and only in that event, Contractor may require the customer to discontinue using such items, in which case Contractor will refund to the customer the fees previously paid by the customer for the items the customer may no longer use, and shall compensate the customer for the lost value of the infringing part to the phase in which it was used, up to and including the contract price for said phase. The program shall include providing daily supervision and conducting frequent inspections of Contractor’s staff and ensuring that accurate records are maintained describing the disposition of all complaints. The records so created shall be open to inspection by the Agency.

34. **Record Retention and Access to Records:** Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor’s books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later.
35. **Recovery of Money:** Whenever, under the contract, any sum of money shall be recoverable from or payable by Contractor to the Agency, the same amount may be deducted from any sum due to Contractor under the contract or under any other contract between Contractor and the Agency. The rights of the Agency are in addition and without prejudice to any other right the Agency may have to claim the amount of any loss or damage suffered by the Agency on account of the acts or omissions of Contractor.

36. **Requirements Contract:** During the period of the contract, Contractor shall provide all the service described in the contract. Contractor understands and agrees that this is a requirements contract and that the Agency shall have no obligation to Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of the Agency for the period of the contract. The amount is only an estimate and Contractor understands and agrees that the Agency is under no obligation to Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Contractor further understands and agrees that the Agency may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.

37. **Right to Audit:** Contractor shall maintain such financial records and other records as may be prescribed by the Agency or by applicable federal and state laws, rules, and regulations. Contractor shall retain these records for a period of three years after final payment, or until they are audited by the Agency, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three-year period for examination, transcription, and audit by the Mississippi State Auditor’s Office, its designees, or other authorized bodies.

38. **Right to Inspect Facility:** The State may, at reasonable times, inspect the place of business of a Contractor or any subcontractor which is related to the performance of any contract awarded by the State.

39. **Severability:** If any part of this agreement is declared to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the agreement that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the agreement as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.

40. **State Property:** Contractor will be responsible for the proper custody and care of any state-owned property furnished for Contractor’s use in connection with the performance of this agreement. Contractor will reimburse the State for any loss or damage, normal wear and tear excepted.
41. **Third Party Action Notification:** Contractor shall give the customer prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement.

42. **Unsatisfactory Work.** If, at any time during the contract term, the service performed or work done by Contractor is considered by the Agency to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the Agency, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the Agency shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.

43. **Waiver:** No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
